PUBLISHED BY THE INTERNATIONAL UNION OF STUDENTS

To Adorn the Pyongyang Festival

Peace and Friendship Sentiments Will Wave

Thanks to the sincere efforts of our youth and students, an ecstasy will be unfolded on the beautiful Taedong River in the days of the Festival.

At a clarion call, a demonstration of maritime sports will begin; soon the water of the

Taedong River will be embroidered beautifully with a large flag inscribed with the Festival emblem and slogans of anti-imperialist solidarity, peace and friendship which run cleaving the white waves; 7-coloured double rainbow hung with coloured ribbons will make an arch and salutes will be fired from tens of vessels to form the figure "13".

Talents and special abilities of water skiers—towering, jumping, obstacle race, *Tansimzul*-twisting and figure skating—will be displayed there.

All this maritime sports events are meticulously prepared to meet the desires and

Unique Brass Band

Yom Gong Bin

dressed in fine national costumes will play cheerful and delightful musics while forming various beautiful flower patterns and other symbolic picture-like scenes with their unique motions, and their music will stand out with other sound effects.

We do not spare our efforts and wisdom to make the rhythm of the brass band rich

in national flavor and Asian-styled.

The rehearsal has entered the final stage.

We believe our wisdom and zeal will satisfy the expectation and demand of the Festival participants.

Conductor of Brass Band**

The opening and closing ceremonies of the Festival will spread beautiful and emotional scenes depicting artistically the Festival slogan permeated with the ideas of the youth and students of 5 continents. Most emotional among them will be the performance of rhythmical brass band formed with 1,500 men and women.

The guests to the Pyongyang Festival will also enjoy a demonstration of our Taekwondo at the place of opening and closing ceremonies of the Festival.

Taekwondo players are preparing themselves to show their special skills wonderfully—giving a crushing kicking at an object, smashing something after jumping over obstacles and passing

through fire and other eyecatching acts. These will no doubt struck the spectators with admiration.

We will do our best to give a full play to the players' talent to satisfy the spectators'

expectation.
